Progress reporting per Public Act 144 of 2022 - requires schools to report the results of the benchmark assessments by the first meeting of the board in February of 2023 and again by the last day of the 2022-2023 school year. The report must include the progress toward meeting the educational goals for all grades PK-12, with a transparency link on the school's website.

Building: Insight School of Michigan

Date: June 30, 2023

Mode of Instruction: 100% Online

Below is Growth Report by gender and race:

Ethnic/Gender	% of group	Count of group
