State of Michigan Required Testing:

Insight School of Michigan, a Michigan public school, must follow the rules set by the Michigan Department of Education (MDE) in observance of state law. According to MDE, all students in grades 9-12 are **required** to participate in state testing. Being a part of Insight School of Michigan means that some travel will be required for testing. Travel includes going to and from testing locations. The Spring of 2024 Schedule is below. Dates are subject to change.

Standardized Testing Attendance:

Testing will be conducted at a variety of sites around the state. Efforts will be made to locate a testing site within an hour of your home. In certain cases it may be necessary to travel longer than an hour. These tests are given over a multi-day period depending on a student's grade level. Attendance is mandatory for Insight School of Michigan students.

Specific testing dates and locations will be published no later than two weeks prior to the testing window. The school cannot guarantee that the student's assigned teacher will be the test proctor. Michigan Department of Education Assessment Schedule:
